## **DETAILED ACTION**

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: In response to the Office action dated August 22, 2005, and further to the amendments filed December 20, 2005, applicant's request in view of the amendments/remarks discussed on page 6 and 7, have been reviewed and respectfully considered.

According to applicant's response independent claims 1, which is the only independent claim that is rejected in the last Office action has been amended or/and rewritten to include the subject matter contained in now canceled claim 2. Examiner previously indicated claims 2, as containing allowable subject matter. Claims 10-18 have been allowed in the last Office action. Applicant's remarks as indicated on page 6 and 7, claims 1, is believed to be distinct from the prior art used to reject the application.

Therefore, claims 1, 3-18, are allowed for the reason the prior art searched and of record neither anticipates nor suggests the claimed invention as amended.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Negussie Worku whose telephone number is 571-272-7472. The examiner can normally be reached on 9am-6pm.

Art Unit: 2626

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Moore can be reached on 571-272-7437. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
